## REPORT FROM THE TEAM LEAD

Pr. Phillip Egesa  
Senior Pastor, Christ Prosperity Ministries

Brethren, I greet you all in the name of our lord Jesus Christ.

The kingdom of God is a missional one and the church has only one purpose, to fulfill Gods kingdom agenda.

This year began like no other with the Prophetic Theme Word **“The Year of His Glory”** from John 17:22” *And the glory which You gave Me I have given them, that they may be one just as We are one:* “.

Like we always do, we launched out strong on missions and true to the word of the year, it has surely been the year of His glory not our glory. We have seen amazing wonders on the mission, it’s in this year that God granted us an opportunity to be given the Prisons permit to officially access a number of prisons which was one of the key prayer requests as far as missions are concerned. This saw us move across many districts of the country just to make sure we visit all prisons that had been listed for us but also others along the way that were not listed upon request from the respective Officers In-Charges.

We have managed to more than double the number of souls won in Prisons, Schools and hospitals the highest ever from the inception of this ministry all by the grace of God.

I want to take this opportunity to celebrate the special mission’s team (the volunteers who have more than doubled also in number

this year and I wish I could mention specific names) that have been the foot soldiers, have coordinated, prayed, planned and executed every event as we had laid out at the beginning of the year and to ensure that all things happen according to plan and even in a much better way sometimes.

Lastly and most importantly, I salute all our amazing partners both local and International, Pastor John Tushabe and the Winning Ways Family, Brother Richard Kisuule and the entire Team, the URA family and then the CPM family across all locations, you have stood by us at any slightest call. You made this scripture come true Luke 22:35 TPT” Then *he said to all of them, “When I sent you out empty-handed, did you lack anything?” “Not a thing,” they answered. “God provided all we needed.” Jesus said, “But now I say to you: Take what you need. “May the same God that enabled to support His work also support in all aspects of your lives and may you never struggle in life*

But all the above said, it has been God and it was done that He may receive all the Glory due to his Name” *Not unto us, O Lord, not unto us, But to Your name give glory, Because of Your mercy, Because of Your truth.* “

Psalms 115:1 NKJV

Thank you.

Pastor Phillip Egesa

Reflecting on the inception of our prison outreach, I never anticipated that God would choose me as a vessel of hope alongside the dedicated LSSI team.

The prospect of engaging in prison ministry initially made me apprehensive, as it was an unexpected path in His plan.

Looking back, I am humbled to witness the transformation of nearly a thousand souls brought to Jesus behind bars.

A significant highlight occurred when an OC referred to us as professionals, acknowledging our commitment beyond our regular office duties.

Working closely with Pastor Philip, a humble and passionate leader, has been a blessing. His tireless efforts in organizing speakers and ensuring the prisoners receive impactful preaching showcase his dedication. I am grateful for his belief in my mission, facilitating my visits for preaching.

The team members have evolved into a close-knit family, with some becoming dear sons and daughters in the Lord. During the leadership training in Kirinya in May 2023, I gathered valuable feedback that captures the essence of our impact.

Feedback from Leadership Training in Kirinya, May 2023:

*"I have learned the distinction between a ruler and a leader. I choose to be a leader, not a ruler."*

*"Understanding pride better and recognizing that as a positional leader, respect is commanded, but true leaders guide people where they ought to be."*

*"This course has enlightened me on leaving a lasting legacy, doing good for others beyond prison life. I plan to invite you to Kasese to inspire positive change."*

*"Surprising commonalities between Muslims and Christians in leadership training. We've all learned valuable lessons together."*

*"As prison wardens, we've gained insights that will reshape our approach. Expect positive changes from us due to this course."*

The impact of our work is evident in the growth of our responsibility, as God added 15 more prisons to our care, bringing the total to 17. A prisoner remarked, "These sessions seem tailored for people like me. Your professionalism and impact make time fly as I eagerly listen."

The highlight of the year was our national prisons tour and the Bugiri mission, and I extend my gratitude to Team LSSI and all CPM members for making me feel like part of your family.

May God bless you abundantly.

## **MISSION REPORT FROM BUSIA LOCATION**

Owing to our Vision: *“That All Have Life in its Fullness John 10:10”*, reaching out to lost souls is our priority and mandate. Throughout last year, Busia Location was involved in various evangelism activities which included door-to-door evangelism. As our culture, we visited Masafu Government Prison on Good Friday to share Christ’s love with inmates by sharing a meal with them, giving out hand-outs including bibles and preaching the gospel to them subsequently hundreds of inmates gave their lives to Christ.

In the course of the year, the youth engaged in LSSI work in which a number of schools both primary and secondary were visited to empower young people with life skills while reaching them with the gospel.

Towards the end of August, we participated in Prison ministry in both Tororo and Busia Districts respectively. Thousands of souls gave their lives to Christ and smiles brought on the faces of inmates through supplies like food items and sundries given for personal use.

During the year, we held an extensive school ministry in over 20 Secondary Schools in both Busia and Tororo Districts and many children were guided and mentored on a number of issues affecting them and empowered with life skills to handle or overcome them. The exercise was jointly held by LSSI teams from Bugiri and Kampala.

We crowned the year, with hospital ministry by practically sharing Christ’s Love with expecting and nursing mothers through giving out baby clothing.

As part of fulfillment of our mission, church members also mobilized clothing, shoes and beddings as a Samaritan Act of Love (SAL) which were distributed to one of the most vulnerable communities in Busia.

We extend our heartfelt gratitude to our well-wishers, other CPM locations and Head Office for the tremendous support rendered and making 2023 a year of God’s glory.

Thank you.

Pastor Robina Nabwire Wanyama  
CPM Busia Location Pastor

## ACTIVITY AND OPERATIONAL REPORTS

### Highlights

- Apart from the numbers moving from 1000 souls to 3065 souls coming to Christ in 07 days, the hunger for salvation for men and women in prison was amazing. It looked like God had already prepared these souls for salvation before we arrived.
- Within the same week during our mission visits, by the prophetic word that God kept on releasing during our preaching, prisoners were being released from courts of law at unusual rates. This happened in Lugazi and Mbale prisons where the prophetic word was that our visit was for purposes of releasing men and women from prison and that anyone visiting court that particular week would not come back to prison which was fulfilled within that week and among those was a prison pastor who had 3 years to serve but was released miraculously that week because God had told him that his purpose in mbale prison was over.
- One special case was in lira women prison where a woman who confessed to have murdered her co-wife's two kids refused to be prayed for to be released claiming that even when she had received forgiveness from the Lord, she felt she was not safe going out and preferred to lead and serve God as one of the pastors for the rest of her life in prison.
- Another rare scenario was in Arua prison where the husband, wife, child and a mother-in-law were arrested and they had stayed on remand (waiting for their case to be heard in court) for two years because their witnesses were nowhere to be found so that judgement can be made.
- We witnessed a unique single biggest harvest in one prison in Tororo where over 613 prisoners stood up to confess Christ as their Lord and Savior.
- There was an amazing team large participation from church members and stakeholders across all locations, through giving generously, praying for the missions and physically participating during the mission.
- During the period of September 30<sup>th</sup> to October 7<sup>th</sup> 2023 we started on our Annual Primary Leavers Missions that are held in the easter region of the country, majorly hosted by Busia and Bugiri however this time we spread out int parts of Kampala, Jinja, and Tororo and despite it being a primary leavers mission we also visited Prisons, Secondary schools, Orphanage homes and a hospital
- During the Annual Good Friday Prison Ministry where we share a meal with inmates, 304 souls were won from across Kira, Bugiri and Busia, an interesting

## SALVATIONS.

2023 has been a wonderful and successful year for our missional works, our primary objective of missions is to spread the message of salvation, spiritual and moral uplifting as well as redeeming a generation for Christ.

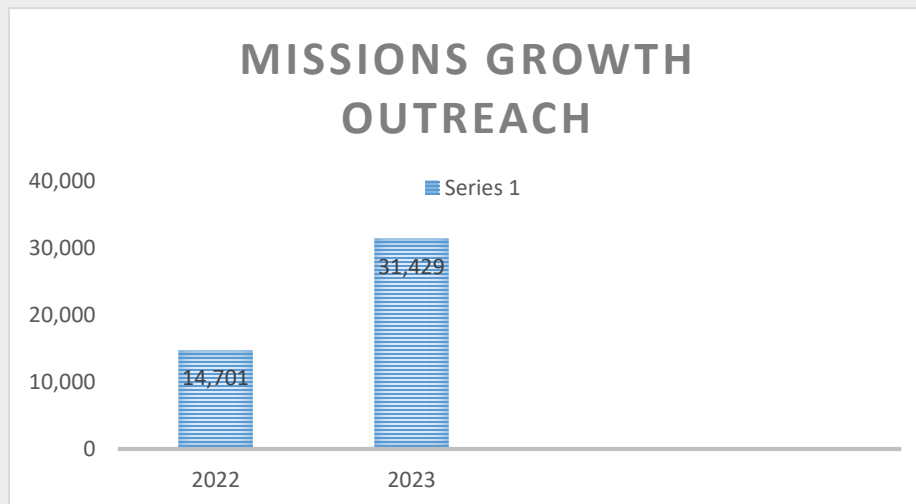

We continue to witness new opportunities into other various regions with the help of Scripture Union (UG) which is helping us break ground into these regions.

A total of **31,395 souls** have come to Christ through the preaching of the gospel with the theme “***I am special***” from Psalms 139:14. This has been through team effort of Volunteers, Pastors, leaders and Partners who have tirelessly joined in on the mission that occurred in the year 2023.
