

# EASTERN *Region* MISSION

# PRIASE REPORT

## Word from the team leader

It has always been said that faith has no experience and yes on this mission God stretched us to completely new levels and dimensions of faith. Like on the other past missions, this eastern mission was purely faith at work. The season seemed realistically off for most of our partners especially those with school going children and so the temptations to postpone the mission was very high but I was reminded of **II Corinthians 3:5 NKJV** *“not that we are sufficient of ourselves, but our sufficiency is from God.”*

And yes, God came through for his work, not only providing all that we needed but also did a more glorious work of saving thousands in a space of just 5 days. This mission saw us win the highest number of souls ever in a week, I therefore take this opportunity to salute the amazing team of foot soldiers, the generous financial partners, the Holy Spirit who won thousands to Himself.

John 6:44 *“no one comes to me Except the father draws him to me....”*

To you our partners, we shall forever be grateful and you will always be on our priority prayer list.

Special thanks to Scripture Union-Uganda for the strategic collaboration and partnership through providing those school platforms that have seen our LSSI activities sore to new heights.

# REDEEMING GENERATIONS

In the course of 6 days our dedicated team embarked on a school and prison ministry where we targeted 100 schools and 7 prison facilities but managed to reach out to 69 schools and 4 prison facilities and through our out-reach efforts, we were able to reach out to 53,034 individuals winning over **41,361 souls** to Christ.

## **Our objectives:**

- To spread the message of salvation and hope through Jesus Christ.
- To engage with both the students and inmates with spiritual and moral guidance and support.

## **Strategies Employed.**

- Partnered with Scripture Union eastern region to maximize reach out and effectiveness.
- Engaged with prison staff to facilitate smooth operations and gain trust.
- Used personal testimonies to capture and resonate with audiences and also ensured messages were relatable and relevant like the **“Okya’gasa” (your still valuable)** theme in prison facilities and **‘I am special’** in schools based on Psalms 139:13-14.
- Encouraged the new converts in schools to **GROW (Go to church, Read the Bible, Obey the word of God and Witness to other)**. For the students and pupils, we encouraged them to join Scripture Union clubs for their personal spiritual growth.

# SALVATION STORIES

The mission week commenced on the 2<sup>nd</sup> of June 2024, a team of 22 people comprising of LSSI and Mbale SU

Our team was instrumental in providing both spiritual and behavioral guidance, mentorship and support to the students and inmates facing various challenges through the Life Skills Programme thus we have been able to reach hearts and minds with the message of one's identity in Christ through both the ***“I am special theme in schools and the okya'gasa” (your valuable) theme in prisons.***

Repeated scenarios happened in various schools where students were touched by the testimonies that were shared by the evangelists that resulted into giving their lives to Christ for transformation.

*“In a one AMUS College school a student walked up to one of us and teared down thanking us for coming and sharing our testimonies since they were faced with a similar challenge and didn't know how to go about it.”*

*Another student said they had asked God to give them a sign concerning a matter they were praying for and our going to their school with the “I am special message” was the sign they wanted.*

*A head teacher in Nabumali boarding school told us that our going to her school was just in the right time as she had earlier on that week sighted demonic activities in a new student and her fear was despite the student being sent away, she could have initiated*

*many others thus our presence would cause a revival and godly spiritual awakening in her school.*

The above photo is of pupils in one of the schools who as a result of this mission were bought for uniforms since they did not have school uniforms and their parents could not afford. Scholastic materials among other basic needs scarcity were sighted in many of the village schools that we went to minister into this factor affects their self-esteem and also performance thus Headteachers could not stop mentioning how helping the children obtain these could help the message reach greater depths.

By God's Grace, we managed to reach **53,034 students/pupils, 473 inmates and 41,361 (78%) school going children and 429 (91%) inmates got saved** in the 69 schools both primary and secondary and the 4 prison facilities in Eastern Uganda.

# FUTURE PLANS

Moving forward

- ✚ Find Companies or Organizations that are willing to partner with us via their segments of cooperate social responsibility.
- ✚ Purchase our own mission vans to reduce on van hire costs since these are the highest on our budgets.
- ✚ Acquire Bibles to be given out into both the prisons and schools for the new converts.

In conclusion:

This mission to the Eastern Region was a powerful reminder of the grace of God and we give thanks to Him for the work He is doing in the hearts of the young men and women across the country, we continue to pray for their growth and faith in Our Lord Jesus Christ.

## **UPCOMING MISSION**

***OUR NEXT MISSIONS WILL BE IN  
BUSOGA REGION AND NORTHERN  
REGION STARTING ON 22ND  
SEPTEMBER TO OCTOBER 5<sup>TH</sup> 2024.***
