REDEEMING GENERATIONS

We are thrilled to share with you the incredible news of the impact of our School and Prison Soul Winning Ministry over the past week. Through your generous prayers, dedication and support, we have witnessed an astonishing milestone, we managed to reach 15,272 youths and 7516 children in schools and prison facilities where a total of 15,594 people come to Christ Jesus.

PRAISE REPORTS AND TESTIMONIES

Pr. Phillip Egesa.

Psalms 115:1 CEVDCI

“We don’t deserve praise! The Lord alone deserves all the praise, because of his love and faithfulness.”

We set out for our mission on the 3rd-9th armed only with faith and a heart for souls trusting God that he will both provide and win souls to Him and yes God proved Himself faithful where we saw many thousands come to Christ.

From having no money by the last day to being given free houses for accommodation and God providing money. Thank you to all our amazing generous partners and the families that hosted us both in Fort portal and Kyegegwa.

Pr. Leonard Rwego Francis

I thank God for the openness in the hearts of the people in this region to the gospel of the kingdom.

I also thank God for his miraculous provisions towards this mission especially in the area of accommodation that was one of our biggest costs while on Mission.

The spirit of the team with the amazing leadership of Pr. Phillip. The opportunity for others on the team to minister. It is not a one mans show. We were all given an opportunity to minister.

Mrs. Ayella Agnes.

I have always longed to go on these missions with the church but amidst the preparations

something happens that hinders me from going. This is a big testimony because I finally got an opportunity to participate in this one, it was the best way to utilize my work leave since it was fulfilling to both my soul and spirit in doing God’s work and fulfilling our church’s mission and vision.

Meeting with the inmates was a big move in me because they are people who seem hopeless and us showing up lightened their faces and joy was evident even as we shared with them the message of hope and reminded them that they were still valuable and important people.

I was moved to see how eager they were for the word of God, every time we prayed, we purposed to sing a worship song where we invited the holy spirit and the presence of God was evident all the time. This made a particular Officer-in-Charge in Fort Portal female Prison to make a remark that *“I have seen many people come into prisons to preach but your move is anointed and for my 40 years in prison service I have never seen this, thank you.”*

The ability of Christ Prosperity Ministries/ Life Skills Solutions International in partnership with Scripture Union to reach out to the inmates is really heartening.

Its so humbling how God came through in regards to our accommodation and provisions, this shows us how God is there to hear our prayers, and for me this experience has stayed with me that I still want to keep on preaching to people and make Jesus known and also has changed my perspective towards massive alter calls.

Mrs. Marie Akuma.

When we went to the main prison of Kyenjojo, I saw the presence of the lord move in the women's section. They actually wailed. I do not think it was for the reason they got locked up, the crying looked like a wave of deliverance, I am glad I witnessed it because we were all caught up that presence so the time, we made an alter call people rushed into surrendering their lives to Christ Jesus.

Pr. Patrick Kizito.

The scenes of inmates kneeling and seeking prayers were profoundly moving in Fort Portal main male prison as the welfare officer responsible for them who was catholic remarked "*that there must have been prayers involved*" as the inmates listened intently, unmoving throughout. they then expressed their openness to our visits anytime we would like.

Another profound emotional scene for me happened in Kyenjojo main prison where the inmates sought the pastors touch in hopes of experiencing release and redemption. Among them, the prison pastor received a prophetic word foretelling his own release, prompting him to embrace the pastor and weep tears of profound emotion.

Having an opportunity to speak to over 150 school heads about leadership and good governance at Britop Resort left remarkable impart with them as they were so excited to hear more and invited us into their schools next, we visited.

SALVATIONS

*20,430 School going
Children reached in 36
schools in Rwenzori
region*

The mission's week kicked off on the 28th of February 2024 where we visited Kololo senior secondary school scripture union fellowship in a musical concert with over 1,500 students attending and 1,350 students coming to Christ Jesus

A team of 12 set off from Kampala to Kasese on the 3rd of March 2024, Sunday afternoon which team was joined by a team of 4 members in Kasese.

In schools our team was instrumental in providing both spiritual and behavioral guidance, mentorship and support to the students facing various challenges through the Life Skills Programme thus we have been able to reach young hearts and minds with the message of one's identity in Christ.

Through the tireless effort of the team and the Grace of God, we managed to reach over **12,914 youth** ages ranging from (14-30), **7,516 children** from ages (6-13) and **14,444 (63.4%) people** got saved all in the 36 schools both primary and secondary of Western Uganda, Rwenzori Region.

15 Prison Facilities

Reached

The purpose of this prison ministration is to provide spiritual guidance and soft skills training to the inmates aiming at bringing the people to the knowledge of an also aiming to promote person growth in self-realization and identity in Christ Jesus.

Similar within the correctional facilities, our ministry was a beacon of hope to those who felt forgotten or lost. Through the group sessions and the one-on-one conversations with the inmates, we saw individuals find solace, purpose and a new direction for their lives through having faith in our Lord Jesus Christ

After our first joint school mission in Bwera secondary school in Kasese on a Monday morning the team then divided into two teams where one team handled the prison facilities and the other team handled the schools this was a very effect way.

With a general number of **2,358 inmates** reached with the gospel in the 15 prison facilities only **1,150 inmates (5%)** responded to the alter call and surrendered their lives to Christ Jesus as their personal Lord and Saviour.

“Naked, and ye clothed me: I was sick, and ye visited me; I was in prison and you came to me” Matt 25:36. An Officer- in- Charge quoted in Bubukwanga prison facility as he was so excited to see us visit his facility continuing to say that just as much as they do their work the church going to them is a good

way to enable the inmates align their ways back to their creator and this will in return reduce on their work load.

FINANCIAL REPORT

The following financial report provides an overview of the revenue and expenses incurred by our prison and school ministry program during the Rwenzori mission in march.

We by the Grace of God through the Partners collected 8,000,000shs (2,053 USD) and used 7,480,000shs (1,930 USD) remaining with a balance of 520,000shs (133 USD) as summarized in the table below
